SAFETY AUDIT | YEARS

Presented to:

IOSA VISION

To be the leader of operational safety auditing in an accident-free world

STRATEGIC PILLARS

SAFETY

- Support and uphold improvement of global safety levels through the implementation of IOSA.
- Maintain and advance IOSA as the world's leading operational safety standard.
- Support consistent implementation of the SMS.
- Adopt applicable ICAO safety requirements from the Annexes to the Convention on International Civil Aviation.

EFFECTIVENESS

- Minimize the number of redundant audits through effective use of IOSA.
- Continuously improve IOSA Program processes and protocols.
- Ensure that a robust audit program infrastructure is in place.
- Constantly seek opportunities to simplify the program processes.

INTEGRITY

- Protect and promote the integrity of the IOSA Program.
- Continuously monitor and improve conformity with audit processes.
- Operate in full alignment with IATA's vision and mission.
- Provide an environment that fosters commitment to proficiency and due professional care.
